SCHOOL ANNUAL REPORT 2023-24

With the lot of hopes, aspirations and Courage the year 2023 commenced with an expectation of receiving our affiliation number from CBSE. With the untiring efforts of our visionary management, the hard work of all our staff team, support and tremendous effort of our school managing committee members, our supportive parents and ambitious students we received our CBSE affiliation No.1931564 with School-code: 56695.

This achievement would have been possible without the guidance and mentorship of single minded commitment and dedication of our diligent correspondent Mrs. Meenakshi Devanathan Yadav madam.

Now she is aiming for the No.1 result in the upcoming CBSE X board results in which our First 10th batch are going to appear on March 2025. At this moment, I would take this opportunity to give the full confidence and assurance that as we have the strongest guidance of our management, encouragive parents, hard working teachers and ambitious students, we will on sure achieve our goal.

Academics

Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.

Individual attention, creative learning, learning through activities, updation in current affairs, Social awareness and environment responsibility are the key factors of bringing up our child to excel in their academics.

We always lay emphasis on strong communication skills and provided extra coaching classes for our young aspirants to achieve their level.

Our hard working teachers never compromise with what a student needs. we are giving utmost care and attention to each and every student of Virtual Vidhyashram from KG to Grade X.

Virutcham Vidhyashram always known for its varied and valuable activities. During the last academic year a wide range of Curricular and Co-Curricular activities were organized and conducted for our students to motivate develop and identify their potentials and exhibit their talent in various competitions.

To begin all those activities the school investiture ceremony was properly organized and our school management honored all our student Council members through tags and badges on Independence Day celebration.

Master P.B. Krishnan and Miss L.Vaarsha of Grade IX was selected as school Head boy and Head girl and Miss Sagana as Club Secretary, L.Monisha of Grade VII as Sports Secretary.

To conduct various club activities Club Secretaries have been selected and honored. S.Krithiksree of Grade V for English Club, V.Sarathi of Grade VIII for Tamil Club, M.Kanishka of Grade VI Maths Club, Harish of Grade VII for science club, Y.Tesha of Grade IV for Cyber Club, M.Mohammed Owais Saqib for Hindi Club, P.Kuralamudhan of Grade IX for Social Club, T.Hemanth Sr.KG for Tiny Tots Club.

The following activities have been organized under each club. Elocution competition Commemorating Kamaraj Birth Anniversary, Rhymes singing, Drama, Thirukural recitation, Essay writing on part of Tamil Club, Ice stick puzzle, Shapes-Angles activity , Crossword mind maths as a part of Maths club, Creating their own documents using MS Word, Excel, PowerPoint, Quiz as a part of Cyber club, Mock Parliament and Students quiz on behalf of Social club, Jumbled words, singing and the drama through Hindi club, Vocabulary puzzle, Creative corner and role play have been conducted through English club.

On behalf of science club, National Science Day was celebrated on a grand manner as a part of this, in the month of January an Inter-School District level workshop has been organized in our school on the topic „Space Science and Astronomy“. Around 30 schools with 150 students from Tiruvannamalai District along with our school students actively participated in the event. Team members from „Spacekidz India“ under the guidance of Dr. Srimathy Kesan who launched „Kalam-Edusat“ in collaborative with ISRO, Conducted the workshop and taught the students of modeling their own rocket. Students launched Rockets in our campus, everyone thrilled and thoroughly enjoyed the workshop. The event was telecasted on live through our Win-News channel.

On National Science Day, February 28, a grand project display was organized in which all our school students from Kindergarten to Grade VIII displayed their science models on various topics given to them. An exclusive students Symposium was organised for the students of Grade VI to IX under the topic “Artificial Intelligence and Robotics” the students presented their own presentation in our school conference room and explored the topic.

The event was witnessed by our Respected Correspondent and Vice-Chairman Dr.Karishma Yadav who gave their valuable inputs and appreciation to all the students.

As we always give value to rich Heritage, culture and tradition, our school celebrated all the traditional festivals started from Krishna Jayanthi, Vinayaga Chaturthi, Vijayadasami, Pongal and Diwali Celebrations in our campus with its own value. All the students and teachers actively participated and enjoyed our customs and values on the day.

We know very well that education is incomplete without sports. As it helps in overall development of children. Participation in sports keeps us physically active, stay them fit and healthy. Our school children have been engaged with various physical activities like football, Cricket, Throwball, Volleyball, Ball-Badminton, Shuttle cock and athletic events like running Shot-put, Javelin throw, Relay, Kabaddi and Kho-Kho also been taught to the children.

Co-Curricular activities also have been given much important to our students, Karate and Silambam was taught through a well trained Karate master and all over student completed their Yellow Belt under received their achievement Certificates.

Bharatanatyam and Western-Dance have been giving a proper training to all the students through Dance Masters from Vellore.

Our management always aim to prepare our children to compete and face their challenges in this up-coming world. As we are providing IIIrd- language Hindi as a part of our curriculum which help our students to read and write. Management has taken an additional initiative to make them speak fluently in Hindi. An exclusive spoken Hindi session was conducted through online through an experienced spoken Hindi trainer from Chennai. Weekly classes were organized for the students from Grade III to IX. Our students perceived the class with full courage and interest and practicing to improve the Spoken-Hindi skills.

We have also appointed a full time Spoken-English Trainer to develop the fluency, accent in English and classes are going on for all the students from Grade I to X.

As our institution have been affiliated to CBSE all the activities have been conducted to meet as per the requirement and standard of CBSE Board. We have conducted “Art Integration Day” in our school campus as per the theme „West Bengal“ given to us. Various skill based activities like Cooking art, Dance art, Art Exhibition, Block printing were exhibited by our students.

Treating Social awareness among the students is one of the most important and valuable need of every school. Last year we involved our students to participate actively in creating awareness about „Say No to Drugs“, „Importance of wearing helmet during driving“ and „Stay away from long time mobile usage“.

Our students prepared awareness posters, slogans and mini rally was organized in nearby local area to create awareness among the public.

Our school have registered in Bharat Scouts and Guides, in which our Grade VI to X students volunteered themselves in all the events of the school with full spirit and wisdom.

Virutcham Vidhyashram consists of well-trained, experienced and dedicated teaching staff, administrative staff and supporting staff.

Staying updated and knowledgeable is the key success in any field, especially in the field of education. Our teachers including our Principal constantly strive to stay updated by attending various CBSE workshops in our district and Chennai through both online and offline mode.

We have facilities including smart board in all classrooms, computer lab, science lab, library, conference hall with smart board facility. Last year we have upgraded our campus with lift facility and restrooms for special children separately for boys and girls in our campus.

Many milestones have been achieved and many still have to be reached. We at Virutcham Vidhyashram will continue our tireless efforts to mould the young mind to compete with all necessary skills and knowledge along with discipline, respect to elders and being patriotic.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year.

Thanks to almighty and universe for providing me with this another opportunity to present this report before you all!
